For the attention of Lord David Currie

Dear Sirs,

We act for the Newspaper Society.

We enclose a copy of a letter we have today sent on behalf of our client to the BBC Trust.

This letter raises important public interest issues relevant to (among other matters) the conduct of the Market Impact Assessment forming part of the Public Value Test of the BBC's local video proposal.

We look forward to receiving your response by no later than 14 November 2008 and in the meantime reserve our client's rights in their entirety.

Yours faithfully,

Clifford Chance LLP
